

Dear NMUPA Parent:

We are pleased to offer again this fundraising program for our organization. This fundraiser runs year-round, and 100% of the proceeds benefit your student's trip account.

Scrip is simply a word that means "substitute money". Scrips are gift certificates from national and local retailers. They're the same gift cards or gift certificates you buy in stores. Many popular retailers participate in our program, including The Gap, Old Navy, AMC, Starbucks, Shoprite, and many others.

The beauty of Scrip is that you put your regular household shopping dollars to work. You earn money for Marching Unit trips (TBD trip 2019 and Disney in spring 2020). Just spend your regular shopping dollars with Scrip at the stores you normally shop in! Scrips can be used for just about any household purchase including groceries, clothing, entertainment, gasoline, home renovations, and even dining out.

### Getting Started

is the online ordering system that our organization will use to gather your orders. This site offers you convenience with shopping from any computer or internet-connected mobile device. To join, create your free account at ShopWithScrip.com.

Go to the green Family Sign Up! Box and click "Create Account".

Follow the registration instructions and accept the terms and conditions of using the sight.

Before you can place an order, you must enter our organization's enrollment code (**EF8B1B5521236**) to link your account to NMUPA. You will also need to link your Scrip account to a bank account. Funds to pay for your orders will be automatically withdrawn from your account when you place your order. A minimal fee of \$0.15 per order will be charged, but is well offset by the credits to your trip account. Your Scrip bonus will be posted to your trip account the Tuesday after your order is processed. ScripNow and Reload orders are available for use shortly after your order is placed. Physical card orders are ordered once a month, and shipping fees are split amongst the families that have placed card orders for that month (usually only \$1-\$3).

Order ScripNow and Reloads on the move by downloading their app onto your mobile device.
